**This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Lancaster, Wyre and Fylde areas.**

The policy for admission to Community and Voluntary Controlled Schools is listed on page 2.

For Voluntary Aided, Foundation Schools and Academies a **summary** of the admission policy is provided in this booklet under the entry for each school. Some schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A **full** version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Similarly, you are advised to contact Primary Schools direct if you require details of their admissions policies.

**Admission numbers in The Fylde and North Lancaster districts may be subject to variation.**

Where the school has a nursery class, the number of nursery pupils is **in addition to** the number on roll.

**POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE**

## **Definitions for Voluntary Aided and Foundation Schools and Academies for Admission Purposes**

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

### **DISTANCE**

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

### **PARENTS / FAMILY MEMBERS**

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

### **MEDICAL/SOCIAL/WELFARE**

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

### **LOOKED AFTER CHILDREN & PREVIOUSLY LOOKED AFTER CHILDREN**

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority must be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4) .

*(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school*

*(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).*

*(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.*

*(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

## Update on Faith Commitment and Church Attendance Which Has Been Affected by the Coronavirus - Church of England Schools and Academies

Due to the closure of church buildings for public worship from 17<sup>th</sup> March 2020, Church of England Schools and Academies have been asked to make a variation to their previously Determined Admission Arrangements for 2021 if they include Church Attendance as part of their Over Subscription Criteria. Advice and guidance on how to do this has come from the Church of England Education Office in consultation with the Office of the Schools Adjudicator (OSA) and the Department for Education.

A standard wording has been agreed with the OSA to clarify the application of the attendance requirement for schools and to request a variation to their admissions arrangements for this specific situation. The variation is in fact a clarification as to how church attendance is to be calculated in these unique circumstances. That agreed wording reads:

“In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship”.

All Diocesan Schools and Academies have been asked to request a variation from the OSA (or RSC in case of academies) which adds this clarification into their Admission Arrangements 2021. This process is being administered by the Diocesan Boards of Education. It is expected that these variations will be approved by 1<sup>st</sup> September 2020.”

**Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September. These will on occasion increase where strategic place planning issues allow and / or where decisions can be implemented in time for the effective co-ordination of the admission process.**

## **Admission Criteria for Community & Voluntary Controlled Schools**

**When a school is oversubscribed on parental preferences, then the following priorities apply in order:**

1. Looked after children and those who have been previously looked after, including those from overseas, then
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older brothers and sisters attending the school when the younger child will start.
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

**When a primary school with a GPA is oversubscribed the following priorities will be applied in order:**

1. Looked after children and those who have been previously looked after, including those from overseas, then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
3. Children living within the school's geographical priority area with older brothers and sisters attending the school when the younger child will start.
4. Children living within the school's geographical priority area, then
5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then
6. Children living outside the school's geographical priority area.

*The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. twins or same block of flats), places will be offered via a random draw.*

*The distance measure is a straight line (radial) measure centre of building to centre of building.*

## When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2021 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2021.

Unfortunately offer information cannot be given out by phone.

## Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

### **To be eligible you must be receiving one of the benefits listed below:**

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

If you are receiving one of the above benefits, please ring the Area Education Office on 01524 581207. They can do an immediate online check for you.

We only require your name, date of birth and national insurance number to do this.

**Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.**
