Definitions

For Voluntary Aided, Free Schools, Foundation Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

Distance

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance. Explanations of these terms can be found in the main booklet.

Parents/Family Members

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

Medical/Social/Welfare

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

Looked After and Previously Looked After Children

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4) .

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Update on Faith Commitment and Church Attendance Which Has Been Affected by the Coronavirus - Church of England Schools and Academies

Due to the closure of church buildings for public worship from 17th March 2020, Church of England Schools and Academies have been asked to make a variation to their previously Determined Admission Arrangements for 2021 if they include Church Attendance as part of their Over Subscription Criteria. Advice and guidance on how to do this has come from the Church of England Education Office in consultation with the Office of the Schools Adjudicator (OSA) and the Department for Education.

A standard wording has been agreed with the OSA to clarify the application of the attendance requirement for schools and to request a variation to their admissions arrangements for this specific situation. The variation is in fact a clarification as to how church attendance is to be calculated in these unique circumstances. That agreed wording reads:

"In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in

relation to attendance will only apply to the period when the church or alternative premises have been available for public worship”.

All Diocesan Schools and Academies have been asked to request a variation from the OSA (or RSC in case of academies) which adds this clarification into their Admission Arrangements 2021. This process is being administered by the Diocesan Boards of Education. It is expected that these variations will be approved by 1st September 2020.”

Information about Admission to Secondary Schools in Lancaster, Morecambe, Wyre and Fylde

This information is about secondary schools in Lancaster, Morecambe, Wyre and Fylde. Similar information about other areas is available from Area Education Offices listed on the first page of the booklet "Secondary School Admissions in Lancashire – Information for Parents". It is quite possible for you to state a preference for schools in different areas. You should, however, only submit one application form.

In this information, you will find brief details about each school including the admission number. This is the number of children who can be offered places at the school in September 2021. Any further information you may need is available if you contact either the schools concerned or the Area Education Office.

About the information provided on each school

You are given the basic details about each school – name, address, Headteacher's name etc., plus the total number of pupils who attend. You will be particularly interested in the number of places available for September 2021 – **the admission number**.

For Voluntary Aided Schools, Foundation Schools and Academies please note that this booklet contains summaries of the policies only. You must approach the school for a copy of their full admissions policy if you are thinking of applying.

For Community and Voluntary Controlled Schools there is additional information given below the main school details. This refers to the intake of pupils in September 2020. On the left-hand side, it states the number of places that were available for that year (the admission number) and the number of preferences that were received for the school.

For Voluntary Aided Schools, Foundation Schools and Academies similar information is given about the number of preferences expressed. You are also given some details of the admissions policy. This is individual to each school. Details about how the criteria were applied can be requested from the individual school.

Please note that for secondary schools in Lancashire's co-ordinated admission scheme, information is given about preferences expressed for 2020. Given the variety of Admission Authorities involved and additional schools outside the co-ordinated system, the figures may need further interpretation for individual schools.

Parents for whom the previous level of application is an important issue are advised to discuss the matter with the Admissions Team at the Area Education Office or with the individual school concerned.

Policies are accurate at time of printing and are subject to change should they be adjudicated by the OSA.

**Parents are advised to look at the LCC website in case of change:
www.lancashire.gov.uk/schools**

Admission Policy & Criteria for Community Schools in the Lancaster, Morecambe, Wyre and Fylde districts

(This can also apply to schools that are in transition to Academy status)

An admission number will be published showing the maximum number of pupils that the school will admit in the Autumn Term 2021. Parents are given the opportunity to express three preferences for a secondary school. Published criteria are used to decide which children should be offered the available places. In secondary schools an equal preference system operates, whereby the three parental preferences are given equal status. Each preference will be considered equally against the admissions criteria.

When a secondary school is oversubscribed the following priorities apply in order:

1. Looked after children and those who have been previously looked after, (see note (x) below), then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned. (See note (i) below) then
3. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start, (see note (iii) below).
4. Children living within the school's geographical priority area, then
5. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start (See note (iii) below) then
6. Children living outside the school's geographical priority area (see note (iv) below).

Notes

- (i) *The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without a statement who have special needs.*
- (ii) *As required by law, all children with a Statement of Special Educational Needs/EHC naming a school will be admitted before the application of the over-subscription criteria. Children who have a statement for special needs have their applications considered separately.*
- (iii) *Brothers and sisters includes step children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration may be given to applying this criterion to full brothers and sisters who reside at different addresses). The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16+.*
- (iv) *The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (eg twins or same block of flats) places will be offered via a random draw.*
- The distance measure is a straight line (radial) measure centre of building to centre of building.*
- (v) *A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, (including after a child has accessed a school place).*

(vi) *The Local Authority will keep waiting lists for all Lancashire schools until 31 August 2021. These are kept in priority order using the school's published admission criteria. From 1 September 2021 for one school term only waiting lists will be retained by individual admission authorities (the Local Authority for community and voluntary controlled schools and individual voluntary aided and trust schools will each retain their own list).*

(vii) *Children will not normally be able to start school other than at the beginning of the term unless they have moved into the area or there are exceptional circumstances.*

(viii) *Applications for school places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.*

Application forms received after the published closing date, will only be considered at that time if the following conditions apply:

(a) if the number of preferences received for the school is below the published admission number or:

(b) there are extenuating circumstances justifying a late application.

These may include:

(a) parents moving into the County after the closing date;

(b) parent/carer illness which required hospitalisation for the major part of the period between the publication of the composite prospectus and the closing date for applications.

(ix) *Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.*

(x) *the highest priority **must** be given to looked after children¹ and children who were looked after, but ceased to be so because they were adopted² (or became subject to a residence order³ or special guardianship order⁴). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after. This includes children who are legally adopted from overseas. Relevant legal documents must be provided to evidence the adoption.*

The Authority has a duty to co-ordinate admission arrangements for all Lancashire maintained schools.

The Authority will ensure that all Lancashire parents whose children are transferring to reception or Year 7 classes, receive the offer of one secondary or primary school place on the agreed date.

¹ A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

² Under the terms of the Adoption and Children Act 2002. See section 46 (adoption orders).

³ Under the terms of the Children Act 1989. See section 8 which defines a 'residence order' as an order settling the arrangements to be made as to the person with whom the child is to live.

⁴ See section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

In the event that there are more applicants than places, after admitting all children with a Statement of Educational Need or Health and Care Plan naming this school, the Governing Body will allocate places using the criteria below, which are listed in order of priority:

1. 'Looked After':

'Looked After' means that the child is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to the academy. 'Previously Looked After Children' are children who were Looked After, but immediately after being Looked After became subject to an adoption, residence or special guardianship order.

2. Brothers or Sisters currently attending the school:

This applies to brothers and sisters of those children who are currently on the academy roll and who will be continuing into the next academic year.

3. Children of staff at the academy:

This applies to all staff, full and part time, who are employed by this academy on a permanent contract of employment with the academy in either or both of the following circumstances:

- a) where the member of staff has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

4. Geographical. Priority to those in the GPA.

The distance between the Ordnance Survey address points for the academy and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre.

In the event that places remain unfulfilled after application of the criteria 1-4 remaining places will be allocated according to the straight line distance from home to academy, nearer addresses having priority over more distant ones.

This is a Voluntary Aided school. *Please contact the school for full admission details.*

The school has an over-subscription form which is used to provide evidence to the school of various admissions criteria that the school require when ranking the applications. If the form is not completed it may be that your child is placed in the incorrect criteria and is not allocated a place in the event of the school being oversubscribed. This form is available to complete online on the school's website or as an appendix to their admissions policy.

In the event that there are more applicants than places, after admitting all children with a statement of educational need or EHC plan naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

- 1) Baptised Catholic looked after children and previously looked after children.
- 2) Baptised Catholic pupils.
- 3) Non Catholic looked after children and previously looked after children.
- 4) Non Catholic brothers and sisters of children in attendance at the school at the time of transfer.
- 5) Children of current staff members
- 6) Non Catholic children who attend associated Catholic primary schools.
- 7) Non Catholic children of other Christian denominations that have been baptised
- 8) Other non-Catholic children

If there are more children in any of the individual categories than there are places remaining, then those pupils who live nearest to the school by a straight line (radial) measure will have priority. The distance is measured using a geographical information system and the measurement is taken from the centre point of the property to the centre point of the school. In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offers(s).

SUMMARY OF POLICY ▼ . This is an Academy. *Please contact the academy for full admission details*

In the event that there are more applicants than places, the Governing Body will allocate places using the following criteria, which are listed in order of priority:

1. Looked after and previously looked after children.
2. Children of staff at the school.
3. **Places will then be allocated using the following points system which reflects the fact that Ripley St Thomas is a Voluntary Aided Church of England Academy:**

Points will be given:

- a) for attendance by the parent or child at public worship (or, in the case of a child, Sunday School) at a Trinitarian church which is a member of one of the following on 1st September in the year of application for admission to the school: Churches Together in England or Free Churches Group, the Evangelical Alliance, the North West Partnership of Churches, or is included on a list of other churches approved by the Governing Body (to a maximum of 30 points). Attendance must be current at the point of application.

Other churches approved by the Governing body are: Capernwray Evangelical, Kings Community Church, Morecambe Bay Christian Fellowship, Morecambe Community Church.
- b) to children who attend any Church of England Primary School at the point of application (10 points).
- c) to brothers and sisters of those children who are currently on the school roll and who will be continuing into the next academic year (5 points). This is a one-off points allocation regardless of the number of siblings currently on roll.

Where two or more applicants achieve the same number of points under criterion 3, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre.

4. **In the event that places remain unfilled after the application of criteria 1-3, remaining places will be allocated according to the straight line distance from home to school,** nearer addresses having priority over more distant ones.

Applications received without submission of a Supplementary Form will be considered after all others and will be ranked solely according to the straight line distance from home to school, as above. Please see the full policy for the sliding scale of points awarded for church attendance.

The following oversubscription criteria will be applied if there are more applicants than places available.

DUE TO THE CORONAVIRUS SITUATION, PLEASE CHECK ON THE SCHOOL'S WEBSITE FOR UP TO DATE SELECTION TEST INFORMATION.

Category 1 Looked after¹ or previously looked after children who achieve the minimum level or above in the entrance test or who score up to and including 15 marks below the minimum level.

Category 2 Pupils who live within the school's priority catchment area, who are eligible for the Pupil Premium via Free School Meals, and who achieve the minimum level or above in the entrance test or who score up to and including 15 marks below the minimum level.

Category 3 Pupils who live within the school's priority catchment area and who achieve the minimum level or above in the entrance test.

Category 4 Pupils who live within the school's residual catchment area, who are eligible for the Pupil Premium via Free School Meals, and who achieve the minimum level or above in the entrance test or who score up to and including 15 marks below the minimum level.

Category 5 Pupils who live within the school's residual catchment area and who achieve the minimum level or above in the entrance test.

Applicants for day places who live outside the residual catchment area of the school and who achieve the minimum level or above in the entrance test will be considered as Category 6. They can be admitted only if places remain unfilled from applicants in categories 1 to 5.

If the ranked test scores do not produce a clear outcome (i.e. two or more applicants in the same Category achieve precisely the same score to tie for the 150th place), the offer of a place will be determined by random allocation supervised by a person independent of the school.

1. Parents applying to Lancaster Royal Grammar School will need to complete a separate LRGS Application Form to enter for the 11+ Entrance Examination in addition to the Lancashire County Council "Common Application" Form. Parents must apply on both forms, either on-line or on the paper forms.
2. The LRGS On-line Application Form is available on the school web-site. The form should be completed and sent to the School to arrive by Monday 7th September 2020.
3. The Entrance Examination for LRGS takes place on Saturday 17th October 2020.
4. The results of the Entrance Examination will be sent electronically to parents on Friday 23rd October 2020.
5. Parents who wish to apply to LRGS once the examination results have been published must list LRGS as one of their preferences on the County Form. Parents need to consider the order of preferences carefully, and to note that it will be impossible for LRGS to guarantee a place for a boy who qualifies based on the 11+ examination unless LRGS is entered as the first priority on the County Form.
6. The County Form should be completed online at the website www.lancashire.gov.uk Alternatively, the paper county form can be returned to your son's primary school (or directly to the County if your son is not in a maintained school).

[Continued on next page]

Boarding places at 11+ The Governors will also make available boarding places, up to the Published Admissions Number for boarding for boys who, in the considered opinion of the Governors, can benefit from residential education and whose suitability on grounds of academic ability is established. Interviews will normally be arranged to assess the applicant's suitability for boarding.

Priority will be given firstly to looked after children and previously looked after children; secondly to children of members of the UK Armed Forces who qualify for Ministry of Defence financial assistance with the cost of boarding school fees; and thirdly to children with a demonstrable boarding need. This will include children at risk or with an unstable home environment, and children of Crown servants working abroad.

If the ranked test scores do not produce a clear outcome (i.e. two or more applicants achieve precisely the same score to tie for the 24th place), the offer of a place will be determined by random allocation supervised by a person independent of the school

SUMMARY OF POLICY ▼

Admission of Pupils

Admission to the Main School is based entirely on academic ability, demonstrated in the entrance test. Places are determined by the applicant's performance in the entrance test, against other applicants who participate in the same entrance test. The required standard will be set once applicants have sat the test and places will be allocated to those who achieve the required standard.

Oversubscription

Should the School find itself in the situation whereby it has more applicants who achieve the required standard in the entrance test than the number of places available, the admission authority will revert to the School's admission oversubscription criteria and will rank applicants according to criteria below:

- 1st Priority: to applicants who permanently live within the city of Lancaster as determined by the district map at the time of application and are '*looked after children*' or '*previously looked after children*'.
- 2nd Priority: to applicants who permanently live within the city of Lancaster at the time of application and who are eligible for the Pupil Premium.
- 3rd Priority: to applicants who permanently live within the city of Lancaster.
- 4th Priority: all other applicants who live outside the city of Lancaster who achieve the required standard*.

* Should there be more applications from applicants outside of the city of Lancaster than places remaining, priority will firstly, be given to *looked after children* or *previously looked after children*, and secondly to children who are eligible for the Pupil Premium. Only after such children have been placed will other children be offered a place, ranked according to test results.

Tie break

Where the situation arises whereby the School cannot decide between two applicants (whom cannot otherwise be separated by the oversubscription criteria) distance from the front door of the applicant's home to the School's main entrance will be used as the determining factor. A computerised measuring device is used to carry out the measurement.

Selection Tests

Each applicant must sit 3 multiple choice tests in: English, Mathematics and Verbal Reasoning. The score of each test will be calculated together to determine an overall score.

Registration for entrance test

Parents must register their child for the entrance test by returning the Registration Form and returning a copy to the School.

The closing date for 2021 registration is noon on Wednesday 16 September 2020.

Entrance test date

The entrance test will be conducted on Saturday 17 October 2020.

SUMMARY OF POLICY ▼ This is a Voluntary Aided school. Please contact the school for full admission details

When applications for admission to Year 7 exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit.

Twins/triplets will be considered as one unit, and places awarded based on the highest criterion applicable to the 'unit' application.

- 1. Looked after and previously looked after children.**
- 2. The consideration of special medical, social or educational needs relating to an individual child.** Applications under this criterion should be backed up by any correspondence held, from the appropriate body that would support a claim under this criterion. E.g. G.P. SEN coordinator, Educational Psychiatrist. All correspondence will be treated in the strictest confidence.
- 3. IN GPA (Geographical Priority Area) – The presence of an older brother or sister in the school (Sibling Rule).** This applies where the older brother or sister will be on the school roll at the time of entry into school i.e. September 2021.
- 4. IN GPA (Geographical Priority Area) – Children living within the school's geographical priority area.**
- 5. OUT OF GPA (Geographical Priority Area) – The presence of an older brother or sister in the school (Sibling Rule).** This applies where the older brother or sister will be on the school roll at the time of entry into the school i.e. September 2021.
- 6. Children whose Parents are employed by the school,** where the member of staff has been employed at the school for two years or more at the time when the application for admission is made or where he/she has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
- 7. Children who request admission to the school but cannot claim a place under any of the above criteria will be sorted by distance.** Those living nearest to the school will be afforded a higher priority. Distance will be measured electronically using a programme presently called Data Map. This is a straight line measuring system and measures from the centre of the Main School Building to the centre of the applicant's house.

Criteria 2-4 will first be used for those whose addresses fall within the Geographical Priority Area before being used for those outside the Geographical Area.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria.

SUMMARY OF POLICY ▼

Admissions Criteria

If applications for admissions exceed the number of places available, the governors have agreed the following criteria, in the order set out below, to decide which children should be admitted:

1. Looked after children and those who have been previously looked after.
2. Children for whom the Governors accept that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned.
3. Children whose parents are employed by the school, where the member of staff has been employed at the school for two years or more at the time when the application for admission is made or where he/she has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start.
5. Children living within the school's geographical priority area.
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start.
7. Children living outside the school's geographical priority area.

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure centre of building to centre of building. If the Local Authority is unable to distinguish between applicants using the published criteria (eg twins or same block of flats) places will be offered via a random draw.

GEOGRAPHICAL PRIORITY AREA ▼

Parishes of Lytham St Annes and Westby with Plumpton. The area to continue down the centre of Squires Gate Lane and Progress Way until rejoining the borough boundary.

Whyndyke Farm is in both Lytham St Annes and Carr Hill High School's Geographical Priority Area.

TRANSPORT (YEARS 7-11) ▼ *Please see Information for Parents booklet or <http://www.lancashire.gov.uk/schools>*

Parents in any doubt over the distance between home and school for the provision of transport are asked to check with their local Area Education Office. This may be particularly relevant if you live close to a county border.

If the cost of getting your child from home to school and back is a consideration or concern in making your school preferences, please check the Home to School Transport Policy carefully or discuss your child's possible entitlement with the Area Pupil Access Team.

In September 2021, free school transport will be provided as follows:

General Policy

To qualify for free home to school transport, children of compulsory school age are required to attend the nearest suitable school, where the home to school distance (based on the child's address) using the shortest route is over 2 miles for children up to the age of 8 years. At the start of the academic year, after the child's 8th birthday, a reassessment will take place as children 8 years and over will only qualify for transport assistance if the shortest route is over 3 miles.

For Lancashire families, schools outside of their GPA (Geographical Priority Area) and those in other Local Authorities and districts will be considered when assessing eligibility for assistance for transport to school.

For those pupils attending faith schools, the Council previously granted partial assistance with travel costs if the pupil attended the nearest school of their faith. Since September 2018 transport assistance is only available if a pupil attends their nearest school or academy and meets the distance criteria.

Please note; if parents decide to send their child to a school that is not their nearest suitable school, then they will be responsible for the cost of transporting their child to that school/academy.

The basis for payment of travelling expenses

From September 2018, the County Council removed the discretionary element of the Home to School Transport policy and so there is no longer any denominational transport assistance available for new pupils starting at either primary or secondary schools in September 2021, unless the family meet the low income criteria (see below).

(Transport Assistance will still be provided for existing pupils as it has been agreed that the changes in policy are phased-in so that children who started school under one set of transport arrangements continue to benefit from them until they either conclude their education at the school, choose to move to another school or move home address.)

National Extended Rights Policy (Low Income)

If your child does not qualify for transport under the general policy (above), a national policy provides extended rights to children who are eligible for free school meals or whose parents receive the maximum level of Working Tax Credit (WTC) i.e. reduction to the income must be £0.00 on your award notice. This policy provides transport for:

Primary Children – age 8 but under 11 years, transport will be provided to the nearest suitable school where that school is more than 2 miles from the child's home.

Secondary Children – transport to one of the 3 nearest suitable qualifying schools where the school is more than 2 but less than 6 miles from the child's home OR transport to the nearest suitable secondary school preferred because of your religion or belief for children whose parents adhere to that particular faith, if the school is between 2 and 15 miles from home.

Concessionary Travel

If your child is not eligible for free travel you may be able to purchase a season ticket if there are spare places on a school transport service. Please contact the School Traveline for advice on 0300 123 6738.

In some cases it may be more cost effective for your child to travel on a public bus service and purchase a discounted period travel ticket direct from the bus operator.

You are strongly advised to visit our website for up to date information on the provision of any home to school transport or contact the Area Pupil Access Team (see contact details on page 1 for your nearest office).

For full details of the policy and general principles applying to free school transport please see our website www.lancashire.gov.uk/schools
