# WHOLE SCHOOL POLICY FOR SAFEGUARDING & CHILD PROTECTION

## WILLOW LANE COMMUNITY PRIMARY SCHOOL

The purpose of this safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children at our school to have the best outcomes.

This policy will give clear direction to staff, volunteers, visitors and parents about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Our school fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered pupils at our school.

This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

This policy should be read in conjunction with the School's Safeguarding Portfolio – accessible to adults in Staff Room.

No single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, **everyone** who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.

The Children Acts 1989 and 2004, states a child is anyone who has not reached their 18<sup>th</sup> birthday. The commitment to safeguarding and promoting the welfare of children however will extend to all children who visit our school as well as all pupils of school.

KEY AREA	
COVID – 19	Keeping Children Safe in Education (KCSIE) remains in force throughout the response to coronavirus (COVID-19). We therefore ensure that:</b></p> <p><b>Any</b> child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:</p> <ul style="list-style-type: none"> <li>• <i>is disabled and has specific additional needs;</i></li> <li>• <i>has special educational needs (whether or not they have a statutory education, health and care plan);</i></li> <li>• <i>is a young carer;</i></li> <li>• <i>is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;</i></li> <li>• <i>is frequently missing/goes missing from care or from home;</i></li> <li>• <i>is misusing drugs or alcohol themselves;</i></li> <li>• <i>Is at risk of modern slavery, trafficking or exploitation;</i></li> <li>• <i>is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;</i></li> <li>• <i>has returned home to their family from care;</i></li> <li>• <i>is showing early signs of abuse and/or neglect;</i></li> <li>• <i>is at risk of being radicalised or exploited;</i></li> <li>• <i>is a privately fostered child.</i></li> <li>• <i>any other identified reason not listed above that requires extra support or intervention to improve outcomes for families and children <b>including mental health support.</b></i></li> </ul> <p><b>We therefore ensure that:</b></p> <ul style="list-style-type: none"> <li>• <i>ALL staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help</i></li> <li>• <i>ALL staff and volunteers will use the school's agreed format (hard copies kept by photocopier and shown on induction) for letting the DSL know about Early Help requirements</i></li> <li>• <i>DSLs will undertake a CAF assessment, when appropriate, to identify what Early Help is required</i></li> <li>• <i>DSLs will signpost and refer to appropriate support agencies</i></li> <li>• <i>DSLs will lead on TAF meetings where is it appropriate for them to do so</i></li> <li>• <i>DSLs will refer to CSC where Early Help has not been successful in reducing risk and meeting unmet needs using <a href="#">Lancashire Continuum of Need and Thresholds Guidance</a> and <a href="#">CSC referral form</a></i></li> <li>• <i>DSLs will utilise Children and Family Wellbeing Service by using <a href="#">Request for Service form</a></i></li> <li>• <i>DSLs and other identified staff will identify and work with any organisations that are relevant in meeting the needs of pupils and their families</i></li> <li>• <i>DSLs and other identified staff will initiate and maintain positive and supportive relationships with parents and carers of children who may benefit from Early Help</i></li> <li>• <i>DSLs will generally be the lead for Early Help cases</i></li> </ul>

<p><b>Operation Encompass</b></p>	<p>Operation Encompass is a police and education early information sharing partnership enabling schools to offer immediate support for children and young people experiencing domestic abuse. Information is shared by the police with a school's trained Key Adults (DSLs) prior to the start of the next school day after officers have attended a domestic abuse incident thus enabling appropriate support to be given, dependent upon the needs and wishes of the child.</p> <p>Children experiencing domestic abuse are negatively impacted by this exposure; domestic abuse has been identified as Adverse Childhood Experience (ACE's) and can lead to emotional, physical and psychological harm. Operation Encompass aims to mitigate this harm by enabling immediate support, making a child's day better and giving them a better tomorrow. <b>We therefore ensure that:</b></p> <ul style="list-style-type: none"> <li>• <i>School has suitably trained Key Adult/s in order to fulfil its obligations under Operation Encompass (DSLs)</i></li> <li>• <i>School's commitment to Operation Encompass is known throughout the school community via the means of staff training, parental letters, posters and the school website.</i></li> </ul>
<p><b>Specific Safeguarding</b></p>	<p><b>Willow Lane Community Primary is committed to keeping our children safe from specific forms of abuse.</b></p> <p><b>We will formulate risk management plans where required using the guidance and template below.</b></p> <p><b>We therefore ensure that:</b></p> <ul style="list-style-type: none"> <li>• <i>ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused and are aware of these specific issues, reporting any concerns, in the appropriate manner to the DSL. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse and do not recognise that they are a victim of abuse.</p>

- *The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE*
- *Kidsafe – a program teaching children how to stay safe in a range of situations - forms part of the Willow Lane Curriculum.*
- *The school **Online Safety Policy** will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place*

**Child criminal exploitation: county lines** - is a form of child abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity:-

(a) in exchange for something the victim needs or wants, and/or  
 (b) for the financial or other advantage of the perpetrator or facilitator and/or  
 (c) through violence or the threat of violence. Child criminal exploitation does not always involve physical contact; it can also occur through the use of technology. CCE:-

- *can affect any child or young person (male or female) under the age of 18 years*
- *can affect any vulnerable adult over the age of 18 years*
- *can still be exploitation even if the activity appears consensual*
- *can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence*
- *can be perpetrated by individuals or groups, males or females, and young people or adults; and*
- *is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.*

Criminal exploitation of children can include **County Lines**. This is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns or move drugs from A to B. Key to identifying potential involvement in county lines are missing episode, when the victim may have been trafficked or the purpose of transporting drugs and a referral to the [National Referral Mechanism](#) should be considered in addition to normal safeguarding procedures. Like other forms of abuse and exploitation, county lines exploitation:

**Honour Based Abuse (HBA)** Honour based abuse is a collection of practices used to control behaviour within families in order to protect perceived cultural and religious beliefs and/or **honour**. **Violence or abuse** can occur when perpetrators perceive that a relative has shamed the family and/or community by breaking their **honour** code. *ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of Honour Based Abuse.*

**Forced Marriage** is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

**Female Genital Mutilation (FGM)** is encompassed within the term Honour Based Violence

- *ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Abuse to the DSL immediately*
- *FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences*
- *ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them*
- *Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific **legal** duty on **teachers**. If a **teacher**, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on*

a girl under the age of 18, the teacher **must** report this to the police.

**Modern Slavery** The Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA and follow their normal safeguarding procedures.

**Peer on Peer Abuse (including sexual violence and harassment)** occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. Please see [Peer on Peer abuse Pan Lancashire procedures](#).

Our school will refer to specific guidance in Keeping Children Safe in Education Part five: Child on Child Sexual Violence and Sexual Harassment.

This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

This will also include **Upskirting**. It typically involves taking a photograph under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks for sexual gratification or causing humiliation, distress or alarm.

**We therefore ensure that:**

reference to CME and procedures followed in the case of children missing or who have attendance concerns

- There is an admissions policy and an attendance register
- The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the schools permission for a continuous period of 10 school days or more
- **where reasonably possible** schools and colleges should hold more than one emergency contact number for their pupils and students.
- All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations and act on these in line with the policy

**Sexting** is defined as the production and/or sharing of sexual photos and videos of and by young people who are under the age of 18. - School staff are aware that they should never view, download or share the imagery, or ask a child to share or download – this is illegal
- If staff have already viewed the imagery by accident (e.g. if a young person has showed it to them before they could ask them not to), report this to the DSL
- Staff will not delete the imagery or ask the young person to delete it.
- Staff will not ask the young person(s) who are involved in the incident to disclose information regarding the imagery. This is the responsibility of the DSL
- Staff will keep details of the incident confidential, reporting this to the DSL
- Staff are mindful not to do anything to blame or shame any young people involved
- The incident will be followed up by the DSL or Deputies and follow appropriate guidelines as set in ([UKCCIS, 2016](#)).
- If the DSL/ SLT must view the images, this should be discussed and done so in a private space and the reasoning behind this must be logged on the incident report.
