

Remote learning is to be used in the event of your child being unable to attend school e.g: whilst self-isolating awaiting a test result. This may only be needed for a few days or for 14 days and the lessons will support the learning and topics being taught this half-term in class. Children should also continue to read regularly and practise their times tables (Y2 to Y6) on TT Rock Stars. Children can share their learning with their teacher on Seesaw.
