

Home Expectations on Remote/Home Learning

During lockdown children will be learning at home wherever possible. Lessons will be provided through the Seesaw app and will focus on new learning and the consolidation and practise of knowledge and skills in Maths and English as well as a topic lesson. There are 3 videos from class teachers every day explaining and directing learning. All children are expected to access and complete the 3 specific areas of learning every day and to post their work on Seesaw. There may be additional activities and learning which could be used throughout the week.

The timetable below shows a structure for the expected learning over the week and should be used to timetable each day.

Blue Class daily timetable

Day	Morning session 1	Break	Morning session 2	Lunch	Afternoon session
Monday	MATHS		ENGLISH		TOPIC
Tuesday	MATHS		ENGLISH		STORY TOPIC
Wednesday	MATHS		ENGLISH		BEAT THE TEACHER ON HIT THE BUTTON TOPIC
Thursday	MATHS		ENGLISH		TOPIC
Friday	MATHS		ENGLISH		STORY TOPIC
Possible additional learning this week including useful websites.	KS2 Maths Collection - BBC Teach – Use the videos on this website to help you learn your times tables in an active way. Cosmic Kids Yoga - YouTube – There are lots of videos on here to help you relax and destress. Hit the Button - Quick fire maths practice for 5-11 year olds (topmarks.co.uk) – Use this to help you learn your number bonds and times tables. Learn the spellings from this week. You can use some of the activity ideas to help you (Both will be on Seesaw). Please look out for additional activities such as quizzes and assemblies from other teachers too.
