

Home Expectations on Remote/Home Learning

During lockdown children will be learning at home wherever possible. Lessons will be provided through the Seesaw app and will focus on new learning and the consolidation and practise of knowledge and skills in Maths and English as well as a topic lesson. There are 3 videos from class teachers every day explaining and directing learning. All children are expected to access and complete the 3 specific areas of learning every day and to post their work on Seesaw. There may be additional activities and learning which could be used throughout the week.

The timetable below shows a structure for the expected learning over the week and should be used to timetable each day.

Red Class daily timetable

Day	Morning session 1	Break	Morning session 2	Lunch	Afternoon session
Monday	MATHS		ENGLISH		TOPIC
Tuesday	MATHS		ENGLISH		TOPIC
Wednesday	MATHS		ENGLISH		TOPIC
Thursday	MATHS		ENGLISH		TOPIC
Friday	MATHS		ENGLISH		TOPIC
Possible additional learning this week including useful websites.	Story time with Mrs Smalley, Miss Greenwood or Miss Morgan weekly Phonics Play - Online games https://www.phonicsplay.co.uk/ Oxford owl-Online reading https://www.oxfordowl.co.uk/ BBC Bitesize – television based lessons https://www.bbc.co.uk/bitesize/articles/zvryp4j on CBBC Please look out for additional activities such as quizzes and assemblies from other teachers.
