

Do you care about Primary School education?
Are you interested in helping the local community?
Do you want the best for young people?

Then you could be who we are looking for. As a School Governor, you can help us raise the aspirations of, and provide the best opportunities, for the children in the community we serve.

The skills we are looking for include:

- Problem solving, such as helping use the budget effectively to develop the school building.
- Asking constructive and challenging questions, such as short listing and recruiting the best teachers for our children.
- Analysing data, such as looking at different groups of children to ensure we provide the best education for all.

We are also looking for applicants with specific experience of:

- *Fundraising and grant applications*
- *Legal experience*
- *Understanding of higher and further education.*
- *Links with local businesses.*
