Dear mums, dads and carers,

Please find below the dates of upcoming events. As the guidance for schools (and wider society) change, we are looking to offer as much of our broad, engaging curriculum that we can and we know that having dates in advance is useful for our community. We suggest highlighting off the dates relevant to your child (ren) and keeping an eye out for permission slips for trips etc in book bags.

Whilst the above list looks busy, those of you who have been part of our community for a long time will recognise that there are far fewer trips than in previous years due to the current guidance. We see trips, residentials and experiences as a key part of our school's curriculum and look forward to offering these again next year.

Please keep an ear out for any changes or additions. We will continue to use our T2P text system and letters in book bags as our main routes of communication.

Thank you for your continued support,

Mel MacKinnon
