

Remote learning is to be used in the event of your child being unable to attend school eg whilst self-isolating awaiting a test result. This may only be needed for a few days or for 14 days and the lessons will support the learning and topics being taught this half-term in class. Children should also continue to read regularly and practise their sounds on Teach Your Monster to Read. Children can share their learning with Mrs Hillyer on Seesaw.

## **English**
