Dear Parents/ Carers,

Due to the high levels of COVID in the community, we are trying to avoid lots of external people coming in to school. So instead of parents' evenings this half term, we will be hosting zoom sessions for parents to have a brief check in with their child's classroom teacher as to how they are settling in to school.

You will need to book a five minute slot for your session through our Text2Parent service. This information will be sent to you.

Ten minutes before the session has been booked for, please click on the meeting link for the relevant year group below and you will go into a 'waiting room'. The class teacher will then admit you to the meeting at the time booked (or as soon as available).
