Starting School Activity Ideas

Have fun reading together. Read books about starting school, traditional tales or your favourite stories.

Go outside and enjoy time in your garden. You could plant a sunflower or sow some tomatoes and watch them grow, visit your local woods or park, or visit a relative.

Enjoy some messy play. Get a large piece of cardboard and a mixture of resources and materials. Then, get creative!

Build concentration and resilience by enjoying a building kit together.
building kits with larger or smaller building bricks

Learn the letters of your name by copying it with chunky chinks, or water and paintbrushes on the path or patio.
