

Last half-term, we enjoyed...

the reading treat that involved a huge water fight on the field. It was an absolutely fantastic afternoon that was thoroughly enjoyed by all. During our Greek topic, Miss Lynch provided an array of different Greek food for us to try - what an experience. Our class also loved watching watching some butterflies grow and then got to let them go free, which was lovely to watch. A true highlight for many was Sports Day. We are a really sporty class and love doing anything practical. When athletics was our focus for PE, we thoroughly enjoyed each lesson and learning all new techniques. Another reading treat we loved was where ice-cream was involved. It was a delicious treat.

This half-term, we are looking forward to...

exploring the topic of climate change and sustainability as the class are very passionate about learning how to protect the planet. Following on from our learning about the Anglo Saxons last year in Indigo class, we are excited to explore how, when and why the Vikings came to Britain. In Art, we are looking forward to studying the work of Vincent Van Gogh and using his work as inspiration for our Christmas artwork. In PE, we are looking at Rugby - which should be really fun.

Key Vocabulary

- sustainable,
 - greenhouse gases,
 - carbon dioxide,
 - methane,
 - greenhouse effect,
 - climate change,
 - global warming/heating,
 - renewable,
 - non-renewable,
 - emissions
-
- runes
 - raid
 - saga

Important days and dates

PE for Violet class will be every Tuesday and children can wear the appropriate PE kit and footwear all day.

One sheet of maths and one sheet of English homework will be given out each Monday and will be expected back before Friday at the latest. If children need any help with this, they can bring it into school to receive support before the deadline.

One set of 5 spellings will be given on Friday for the children to be tested on the following Friday.

- 12th and 19th September – Young Leaders Training
