

# Improve your own Maths skills with PHX Training!

## Free Numeracy Courses for Adults with children Who Need Homework Help

Our courses cover the National Curriculum key stages 1-2, so you can learn and develop your skills alongside your child. With our help, you will be able to have more of an understanding of your child's homework and feel more confident in supporting them.

### What will the course cover?

- Long Division/Multiplication
- Fractions
- Percentages/Ratio/Decimals
- Area/Perimeter
- Measure
- And much more!

To learn more about the course, scan the following QR code!
