

I've been forwarded this by Gill Boyes. She is the parent liaison at PACE* – 3 x 1hr twilight sessions (PACE is, I think, funded by Lancashire's Violence Reduction Unit – so I expect it will be worthwhile). Please email Gill with any queries.

The sessions are for parents to attend – it's virtual training – but might also be useful for staff. I'm sending this to all Op Encompass registered schools in Lancashire.

Hi All,
