

Last term, we enjoyed...

This term, we have enjoyed learning about animals, especially when did our own research and made our own animal information books. We liked learning about Lancaster and we know lots of facts about the landmarks in Lancaster. It was fun when we went on our school trip around Lancaster and our favourite part was the hot chocolate! Our favourite lesson this term was drawing and painting the matchstick people for our L.S. Lowry project. We were so proud of ourselves after our nativity and we enjoyed going to see other actors perform when we went to see Jack and the Beanstalk at The Grand Theatre in Lancaster.

This term, we are looking forward to...

This term, we are very excited to be learning about different explorers and learning about where they like to explore. We have already heard of Neil Armstrong and we are looking forward to finding out about more, especially about space explorers. In science, we have started to learn about what we need to do to keep our bodies healthy. We will be making snacks and sharing our learning with our grown-ups so watch out for your invitations! The most exciting thing we are looking forward to this term is designing and making our very own exploration vehicles with a real-life STEM engineer! We love learning and cannot wait to tell you all about it.

Key Vocabulary

explore, pioneer, encounter,
research, past, present, future, era,
space, astronaut, sailor, climber,
mountaineer, pilot, technology,
offspring, reproduction, growth, child,
axel, wheel, pivot, lever, friction, print,
layer, perspective, position, size,
layer ink, materials, portrait, arrange,
squares, natural, manmade

Important days and dates

- 16th and 23rd Jan – Parent's Evening
- 5th – 9th Feb – Football Week
- STEM engineer talk – date TBC
- 19th Feb – Visit from Sean Conway
- 21st Feb – 27th Feb – Gym Stars
- 8th March – Girl's Biggest EVER Football Day

PE will be every Wednesday. Please make sure that your child comes to school with suitable shoes a warm coat as we may go outside if it isn't raining.
