

Last term, we enjoyed...

Year 3 have had a really busy Autumn 1 and 2. We have all settled in really well to the new routines and learning wonderfully. Well done to all the children in Green Class. Mr Heap and the team are really proud of you. The children have worked incredibly hard in their English and Maths by applying their skills from KS1 and new learning in Year 3. The children really enjoyed learning about Paddington and his adventures in London and finding out new information about the different landmarks in London. In maths a particular highlight was applying our time table knowledge to work together to play hit the button. We have also found our science topic interesting being able to test objects that are magnetic and being able to investigate how friction affects moving cars. A particular favourite was being able to learn all about Ancient Egypt and research and investigate all about Pharaoh's and pyramids. This was a really good foundation for the school trip to the Liverpool Museum where we got to touch real artefacts, have a workshop with a historian and explore the Ancient Egyptian exhibition. The term was capped off well when we got to go and watch Jack and the bean stalk at the grand theatre. It was really funny.

This term, we are looking forward to...

We are excited to link our history lessons to art where we will learn how to draw cave paintings! We are also looking forward to using TT Rock Stars as part of our times tables practice in maths. We are also looking forward to learning about the Iron Man in English and reading a new class book. One of our favourite topics is history and we are excited to learn about prehistory and what life was like living in the Stone and Iron Ages.

Key Vocabulary

- Prehistoric
- Artefact
- Migrate
- Settle
- Stone Age
- Paleolithic
- Mesolithic
- Neolithic
- Rock
- Stone
- Pebble
- Boulder

Important days and dates

- We have PE on a Monday afternoon. Children should be in their active uniform every day.
- On Thursday afternoons Mrs Noakes will be teaching Green class.
- Tuesday afternoon Miss Hulse will be taking the children for outdoor learning.
- Spellings go home on a Friday and then are tested in school the following Friday. Please practise regularly at home.
- Book bags and communication books need to be in school daily please.
- Please ensure your child includes what they have read at home, their Bug Club and TT Rock stars in their communication books for us to see.
