Bagels and Books Breakfast Bar

All children and families are welcome to visit our Bagels and Books Breakfast Bar. It is open every school day from 8.25am – 8.40am. Bagels and books are freely available to children and families. We are pleased to support our families with our Breakfast Bar and Book Nook and we kindly ask that all families help us by following our Breakfast Bar rules.

- All children below Year 5 must be accompanied in the hall by an adult until 8.40am.
- Children and adults are welcome to choose a book from our Book Nook to keep and read.
- Children visiting the breakfast bar must wait in the hall until 8.40am. A member of staff will then direct children straight to their classrooms from the hall.
- Children should be seated for their breakfast.
- Children must not climb on equipment or furniture in the hall or play running games.
- Children must follow directions from members of staff. We ask that parents/carers support our staff in helping to keep the hall a calm, happy and safe place for everyone using the breakfast bar.
