

Should we have a Friends of Willow Tree Federation?!

Willow Lane School and Appletree Nursery do not have a PTA like many other schools.

As a parent-governor I have received lots of ideas and interest in what such a group could achieve.

But first we wanted to know a little bit more...please scan the QR code below to complete our quick survey.

It's not just for parents but for anyone who is part of our community.

We would be very grateful!
