

### **Last term, ...**

was packed with exciting learning experiences! We enjoyed swimming lessons and took a journey through history as we explored the Industrial Revolution. The Lancaster Big Sing festival was a fantastic highlight, and we had lots of fun experimenting with Morse code machines and learning about river landscapes. In Computing, we were introduced to coding with variables and deepened our understanding of technology in ICT. Our Kidsafe sessions helped us learn about staying safe and confident—it really is great to be me! We also got creative by writing lyrics in our "Stop!" project and learned to present ourselves confidently. In RE, we explored the beliefs and stories of both Sikhism and Christianity, including learning about Jesus. It's been a term full of discovery and growth!

### **This term, we are looking forward to...**

a fantastic term ahead, full of new adventures and learning opportunities! We'll be continuing our swimming lessons and taking part in Outdoor and Adventurous Activities, including trust and trail challenges. Athletics activities will help us stay active, while in Design Technology, we'll explore migration-themed textiles by designing and creating book covers, as well as making creative food sculptures. In Computing, we're excited to learn about coding with repetition and loops, and we'll keep building our understanding of technology in ICT. Our PSHE lessons will focus on rights and responsibilities and being our best selves. In music, we'll reflect, rewind, and replay as we learn about the history of music and consolidate our skills. We'll also explore different types of houses and classrooms, and in RE, we'll learn more about Islam and visit a local church to deepen our understanding of Christianity. It's going to be a busy and inspiring term!

### **Key Vocabulary**

- ☐ **Algorithm** (coding)
- ☐ **Variable** (coding)
- ☐ **Iteration** (repetition/loops in coding)
- ☐ **Debug** (coding)
- ☐ **Migration** (geography/history/textiles)
- ☐ **Symbolism** (art/textiles)
- ☐ **Nutrition** (food technology/science)
- ☐ **Chord** (music)
- ☐ **Denomination** (RE - Christianity)
- ☐ **Mosque** (RE - Islam)
- ☐ **OAA** (Outdoor and Adventurous Activities)
- ☐ **Prototype** (design technology)

### **Important days and dates**

- We have PE on a Monday and Friday afternoons. Children should be in their active uniform every day.
- Swimming lessons are on Friday- please ensure students come with their kits
- On Thursday, Mrs. Noakes will be teaching R.E. and Spanish.
- Mrs. Noakes will teach all day Friday
- Spellings go home on a Friday and then are tested in school the following Friday. Please practise regularly at home.
- Book bags and communication books need to be in school daily please.
- Please ensure that you or your child includes what they have read at home, their Bug Club and TT Rock stars in their communication books for us to see.
- 16-6-25 Summer Fair
- Reports drop-in 15-7-25
- Sports day 21.5.25
