Monday 7th July 2025

Dear Parents and Carers,

Tuesday and Wednesday this week are our transition days. This is when each class moves up to their next year group for the full two days. They will then go back to their current class for the rest of term. This is an exciting opportunity for children to meet their new teaching staff, see their classroom and get to know the routines and expectations ready for next year. It is also a chance to ask any questions or share any worries they might have and so feel better prepared for the change of year group.

Children will arrive in school as normal tomorrow, but go straight to their new classrooms. Teachers will be around to help direct anyone who is unsure where to go. At the end of the day, parents and carers should collect their child from their new classrooms (e.g. a child currently in Year 3 will be collected from the Year 4 door on Tuesday and Wednesday).
