22nd October 2025

Dear Parents and Carers,

Join Us on Class Dojo!

This year, we have started using Class Dojo with Years 1-6 to celebrate and share how our children are living out our school values (Be Ready, Be Responsible, Be Respectful) every day.

Class Dojo is a simple app that lets teachers recognise children who go above and beyond, whether that's showing great effort in their learning, being kind and helpful, making sensible choices, or showing respect to others. When children demonstrate our school values, they earn Dojo points. It's a great way for us to reward and encourage pupils—and for you to see and celebrate your child's achievements at home!

You'll receive a separate letter this week with a QR code. Simply scan this code to join your child's account and start seeing when they receive Dojo points.

The app is completely free to use. You may see optional paid features, but these are not needed — the free version gives you everything you need to stay connected and celebrate your child's achievements.

If you have any questions or need help getting started, please get in touch with me at d.webster@willow.lancs.sch.uk.

We're looking forward to sharing lots of positive moments with you on Class Dojo!

Warm regards,

Mr Webster
