Dear Parent/Guardian,

Currently our school uses the Teachers2Parents app for home-school communication. We have been informed this app will cease to work at the end of June and we will be using Eduspot instead.

Eduspot is completely free, and available on the App Store (for Apple iPhone or iPad) or on Google Play (for Android smartphones or tablets).

### **Updating your contact details**

Please ensure we have an up-to-date **email address** and **mobile phone number** for you in our school database. You will need to verify these details for security purposes to login to the app, so it is important they match our records and are always kept updated.

If your contact details are up-to-date in our records, you can use these to login to the Eduspot app. You do not need to be issued with a username or password.

### **Getting started with the app**

Please find "Eduspot" on the App Store/Google Play and install it. For more help with installing the app and logging in, visit: [parents.eduspot.co.uk/getting-started](http://parents.eduspot.co.uk/getting-started)

Kind regards,

Willow Lane School Office
