Dear Parents/Carers:

Would your child like the chance to design a penguin character to be proudly displayed on the Penguin Trail around the city centre?

Love Lancaster BID (Business Improvement District) will be hosting a Penguin Trail around 12 city centre businesses from 23rd January to 5th January . They will be 3 to 4 foot tall, and they want to involve local school children in decorating these as part of a competition.

There is a prize of **£100 Ryman Voucher** for the design voted the favourite by the public.

Please return your designs to school by Friday 6th November; the winner will be selected by our School Council.

Thank you for your support,

Willow Lane School
