Reception School Year 2026/27

Dear Parent/Carer,

This is a friendly reminder to complete your child's Reception Health Questionnaire via the School Screener Parent Portal as soon as possible if you have not already done so.

The questionnaire helps the School Nursing Team understand the health and wellbeing needs of children and identify whether any support or follow-up may be helpful. It also provides anonymised information that helps us plan and improve services for children and young people across Lancashire.

Please be assured that all information is treated confidentially and stored securely within your child's health record. Information will not be shared with your child's school without your consent.

Following feedback from parents we have now included a QR code for ease of registration.

To get started, simply click on the link below or scan the QR code and follow the steps to create your Parent Portal account:
https://lan046.schoolscreener.com/Portal/#/Lancs/g/SR2627

Please also see attached step by step guide on how to register.

If you have any questions or encounter any issues during the registration process, please don't hesitate to contact us.

Thank you for your support.
Kind regards

School Nursing Team
